Clinico-Radiology Meetings at Department of Radio-Diagnosis

We are pleased to inform that the radiology department has planned to start Clinico-Radiology Meetings every fortnight to discuss certain important radiology topics & insight into cross sectional imaging. These meetings shall be held on 1st & 3rd Thursdays every month. A specific topic shall be chosen and circulated in the hospital & medical college for the same.

The following is procedure for the same:

1. A core topic shall be discussed in every meeting.
2. You are welcome to bring in your queries, but please submit the same at least 2 days prior to the scheduled meeting so that the same can be discussed and included in the meeting.
3. All the students, residents and faculty are welcome to attend the discussion and presentation.
4. If you wish to include a particular topic for discussion in meetings, please inform the meeting co-ordinator - **Dr Abhinav Jain** (9999912701), AP Department of RadioDiagnosis.

The topic for the first meeting shall be: "Interpretation of Chest Radiographs"

If you have any interesting / tricky chest radiograph which you want to discuss, please submit it with senior resident incharge for this discussion - **Dr Vivek Setia**. You may also mail the same to the meeting co-ordinator at himsrcon2013@gmail.com.

Please send in a mail with your details ; Name, department, designation, mobile no & email id at himsrcon2013@gmail.com, so that we can keep you updated on the meeting topics and other activities.
