

**M.B.B.S student Rohan has bagged a gold medal in the international UG literary festival"** held at Saffdarjang hospital. Rohan had presented 5 posters and 1 operative video presentation and he has been appreciated widely by all faculty, guests and students

These were the poster presentations topics.

1. Epidermoid cyst of prepuce: an unusual cause of pediatric urinary retention.
2. Jejunal prolapse after Witzel's feeding jejunostomy: a rare complication
3. Aganglionosis in terminal rectum in anorectal malformation: is it rare?

Operative video

1. Bariatric surgery: a scientific answer to morbid obesity.
